Following consultation with the NSRA Board of Directors,  
two decisions were made to allow completion of the Winter 19/20 Air Rifle League:

Discount any round where the scores can not be deemed accurate  
Discount any round where the majority of the teams' scores are missing (more than half)  
This means that for the I/C Air Rifle League (comp 660)

Rounds 1 to 4 Published Results are deemed inaccurate.  
They cannot be checked as majority of cards lost in post between old and new scorer.  
Therefore, results are retracted and will not be used in League calculations.  
Round 5 – all shot cards are either missing or scores not deemed accurate.  
Round 6 – 9 of 19 teams' shot cards are missing.  
Therefore Rounds 1 to 6 will be excluded.  
Scores from Round 7 onwards are all from the new scorer and the League calculations will be completed on 4 rounds only.
